			Total	112 hours	

Please note: On August 1, 2023, the Oregon State Board of Nursing will implement a new requirement for the total number of hours required for Nursing Assistant Training.

Prior to August 1, 2023, the number of required training hours is 155.

After August 1, 2023, the number of required training hours is 105.

This course includes up to seven extra hours to help students prepare for the board exam.
